LOCATION

Located at the heart of Dead Sea, the lowest point on Earth with picturesque views of the Jordan Valley, Dead Sea Marriott Resort & Spa is an upscale resort offering services, luxurious accommodations, a wide variety of dining options, relaxing and invigorating leisure facilities and award-winning hospitality.

Well-suited for families, couples and leisure travelers, guests can unwind from the minute they enter their exquisite accommodations.

Natural beauty, endless comfort and adventurous opportunities combine to create a piece of paradise at Dead Sea Marriott Resort & Spa.

AIRPORT

Airport transfers are available at a charge with a maximum of four persons per vehicle or through car rental at the resort.

CLIMATE

The Dead Sea's climate offers year-round sunny skies and dry air with low pollution. It has less than 100 millimeters-3.94 inches of annual rainfall and a summer average temperature between 32°C and 39°C (90°F and 102°F). Winter average temperature ranges between 20°C and 23°C (68°F and 73°F). The region has weakened ultraviolet radiation, particularly the UVB (erythrogenic rays), and an atmosphere characterized by a high oxygen content due to the high barometric pressure.
